Social Training Wrap-up

On Tuesday, February 24th Reach hosted the semester’s first training social. We wanted to thank everyone who was able to join us, it was a powerful evening of storytelling and it could not have happened without you!

Special thanks to Kazeem and Ilena for sharing with the whole group!

If you were unable to join us this time around, no problem, we are working on scheduling our next event soon!

Thank you!

February has been a busy month for Reach volunteers! We have had over 32 Reach volunteers serve both on campus and in the community!

Thank you to everyone who volunteered for an event this month!
